

## **EVERCARE HOSPITAL CHATTOGRAM WILL DELIVER QUALITY GLOBAL HEALTHCARE SERVICES TO PORT CITY IN BANGLADESH**

*Launch of 492,000 sq ft mega facility marks first-ever super-specialty tertiary care hospital in Chattogram*

*Hospital features 470 beds and 27 specialty departments*

**Dhaka, 10 March 2021** - The Evercare Group, the leading impact driven, healthcare group investing in emerging markets, today announced that Evercare Hospital Chattogram in Bangladesh will open soon. Evercare Hospital Chattogram is the latest hospital to be opened by the international Group.

Equipped with the latest technology and more than 500 best in class medical professionals, the Evercare Hospital Chattogram will provide quality, accessible healthcare to improve patient outcomes for communities in, and around, Chattogram. The 470-bed hospital, in the Ananna Residential Area of the Hathazari area in Chattogram, is the first ever multi-disciplinary super-specialty tertiary care hospital in Chattogram and features 24/7 Emergency Department, state of the art ICUs and 27 specialties and subspecialties filling capacity gaps in the region.

The hospital spans 492,000 sq ft and is larger in scale and capacity than its sister hospital, Evercare Hospital Dhaka, the only JCI accredited hospital in the whole of Bangladesh.

Massimiliano Colella, CEO of the Evercare Group, said: "It gives us great pleasure to bring global healthcare services to the people of Chattogram. As the first-ever internationally acclaimed hospital in the city, Evercare Hospital Chattogram will elevate the standard of medical care and set the benchmark for healthcare going forward. I am proud that the Evercare Group and our teams here in Bangladesh are leading the way as we work together to transform healthcare in our markets."

"Evercare Hospital Chattogram will build on the strong synergy between leading consultants and physicians, support services and leading technology at our internationally accredited hospital in Dhaka and we will implement these same best practices in Chattogram from Day 1. We are truly committed to making renowned medical services easily accessible to people in their own city, thereby negating the need to travel overseas," concluded Dr. Ratnadeep Chaskar, CEO of Evercare Hospital Dhaka.

**ENDS**

### **About the Evercare Group**

The Evercare Group believes access to healthcare is a fundamental right and invests in emerging markets to bring private, quality driven healthcare to meet the needs of local people.

Evercare has responded to a global challenge to ensure well-being at all ages is provided to those living in emerging markets as a pillar to support sustainable economic development. With this the Group is leading the way in transforming the traditional healthcare model through its integrated cross-continent platform, its impact driven model and quality driven hospitals.

The Evercare Group operates as an integrated healthcare delivery platform in emerging markets across Africa and South Asia, including India, Pakistan, Bangladesh, Kenya and Nigeria.

The Group's portfolio includes 29 hospitals, 16 clinics, more than 70 diagnostics centres and two brownfield assets. Evercare is proud to be the most diverse healthcare group in the countries it operates in with 10,350 employees working together to develop a systemic healthcare change in emerging markets.

Evercare is wholly owned by the Evercare Health Funds, a US \$1bn emerging markets healthcare fund managed by The Rise Funds, the impact investment platform of global alternative asset manager TPG. The Evercare Health Fund is comprised of the world's leading development finance institutions and other impact investors around the world.
